

The Cascades Manor House is located in the beautiful 465 acre Cascades Park in southwest Jackson.

It was originally built as the clubhouse for the 18-Hole championship Cascades Golf Course in 1932.

In 1993 a major renovation of the clubhouse took place under the direction of the Cascades Park Foundation.

Today, our award winning banquet facility is available 7 days a week for private gatherings of 15 to 275 guests with our full catering and bar services.
